

2021 SUMMER

INTERNSHIP PROGRAM

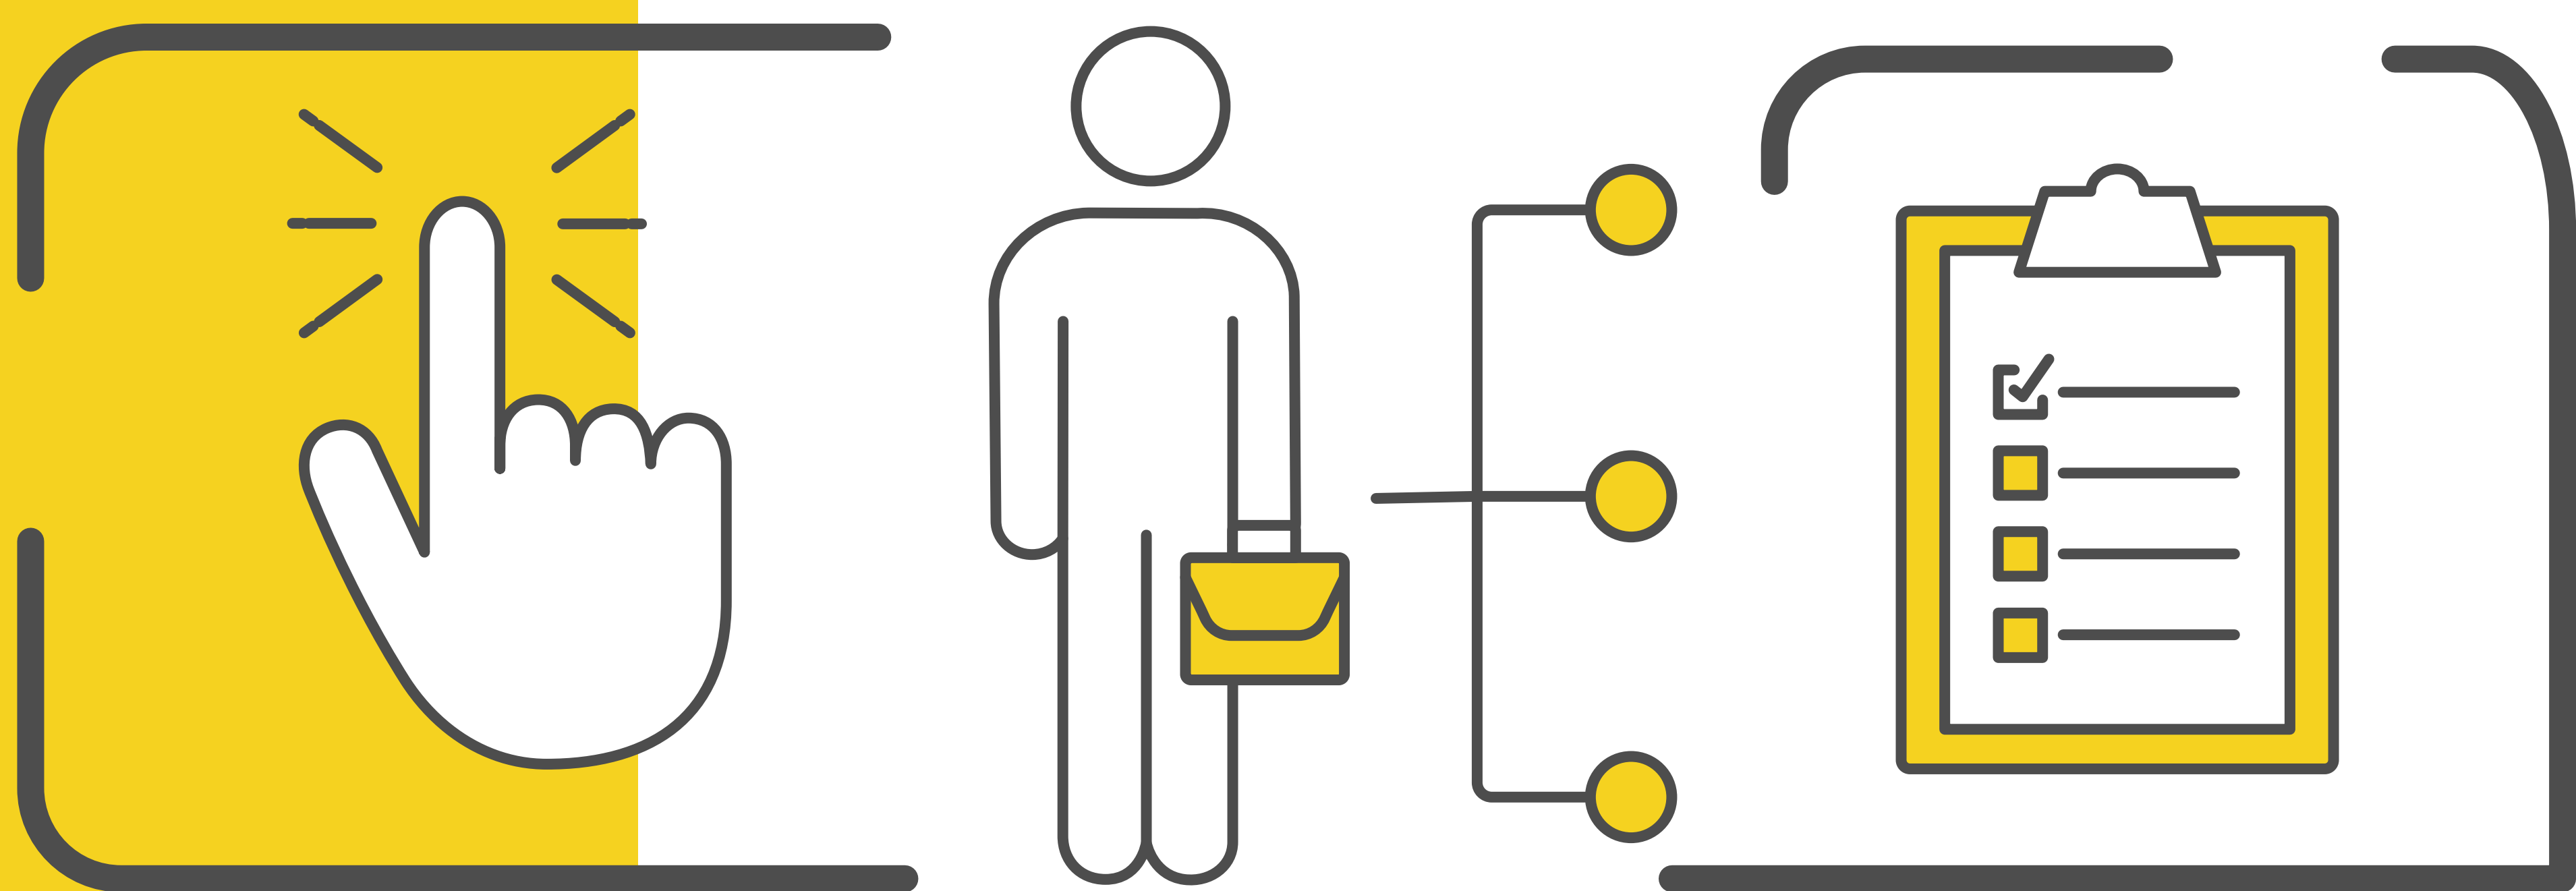

Application deadline:
March 14

REQUIREMENTS

This *paid* internship program includes **four** Clinical internships as well as **two** Non-Clinical internships. Both paths include the following requirements:

- Have completed junior or senior year of high school, or a 2020 high school graduate enrolled in a healthcare program

- 500 word essay answering why you want an internship with BBGH and how this internship would support your career interests (including name, typed, double spaced, 12pt font)

- Resume (extracurricular activities, community/volunteer services, employment)

- Three personal references (first and last name, phone number, email)

- Mandatory orientation June 1st

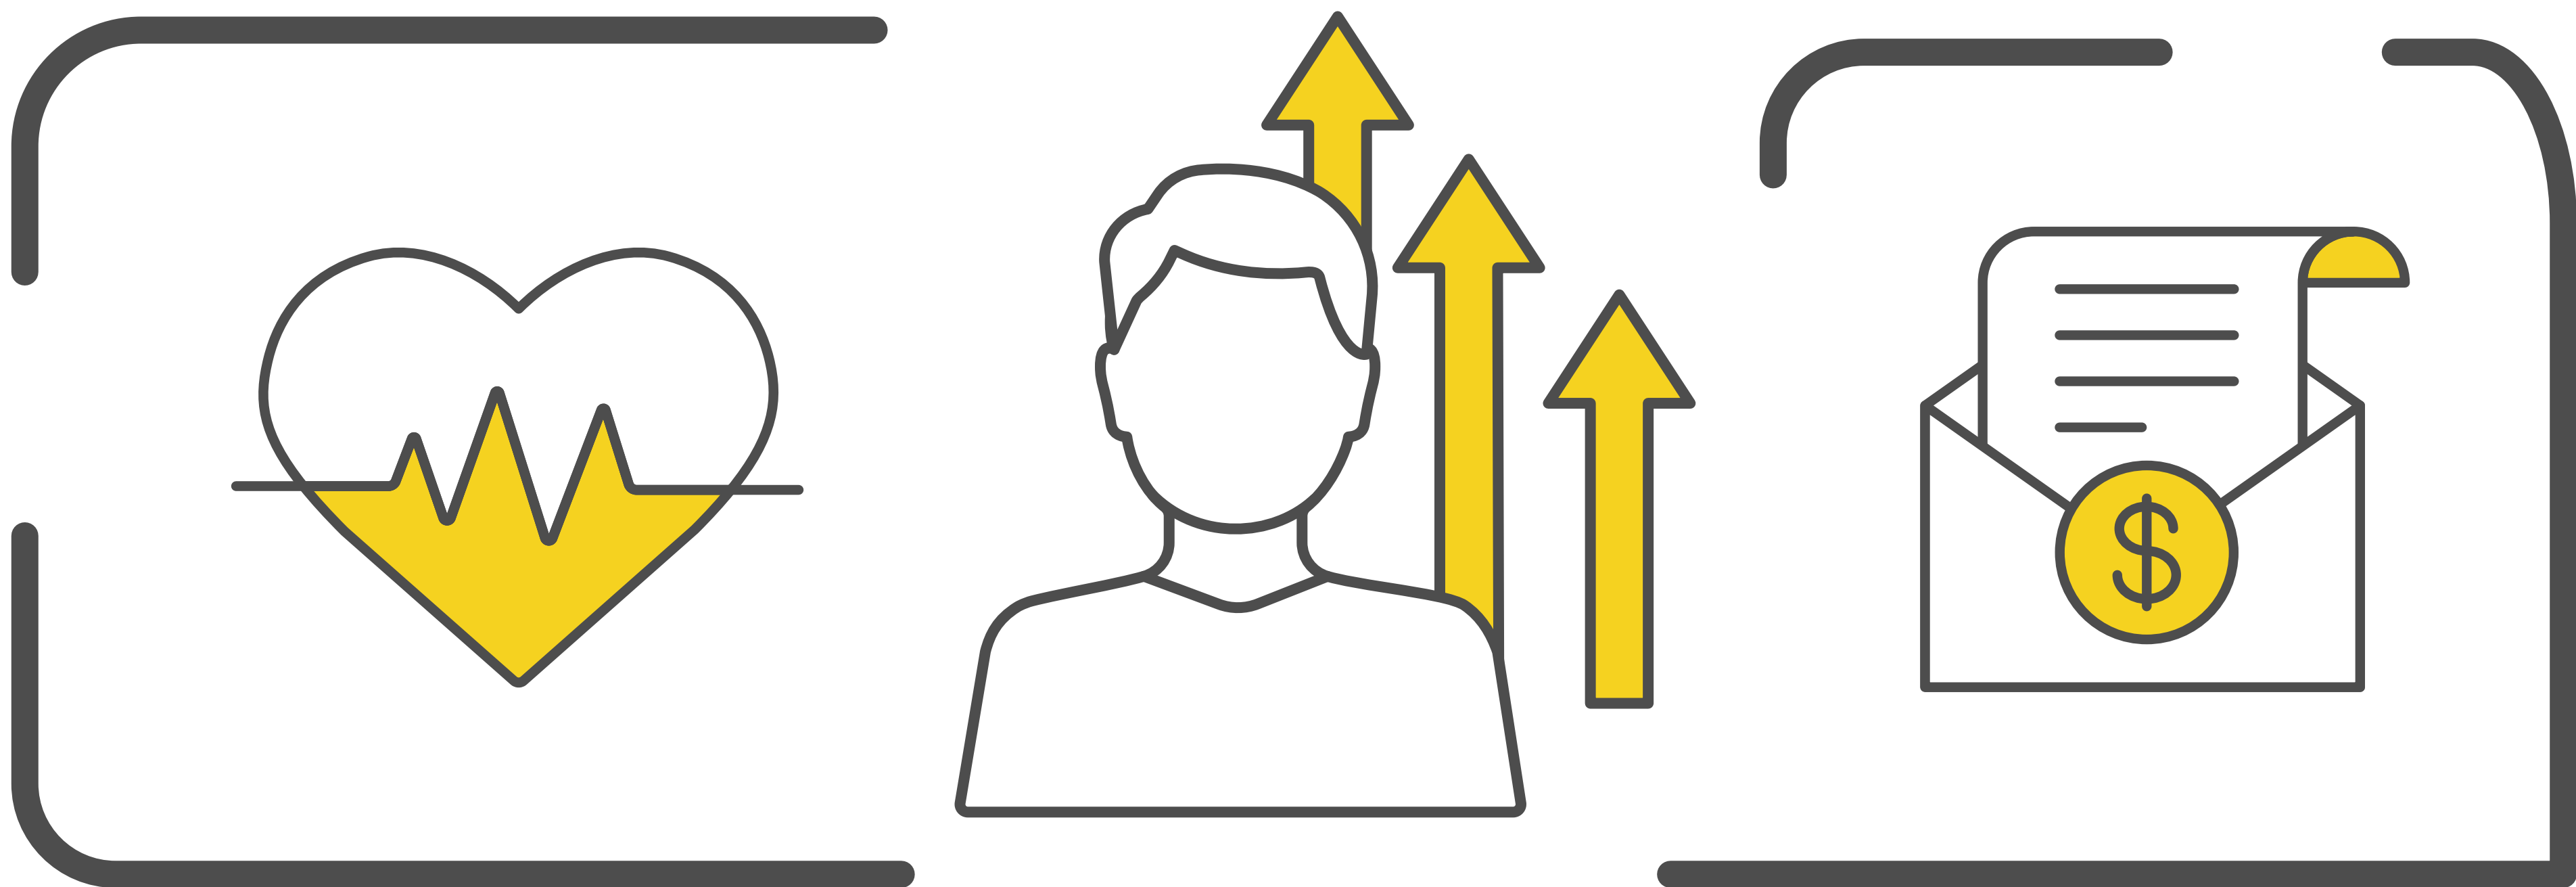

- Additional Human Resources paperwork before program starts

- Immunization and influenza records

- A Capstone Presentation to the departmental and senior leadership team

**Pre-employment background checks, physical, and drug screen are required should the internship be accepted. Work hours are Monday- Friday 8am- Noon.*

BENEFITS

Both the Clinical and Non-Clinical internship provide students opportunities to explore many aspects in the world of healthcare.

Box Butte General Hospital provides insight to what it is like being a non-profit, Critical Access Hospital in a rural area.

Get real-life experience not available anywhere else.

APPLY TODAY

- Submit Application material online at bbgh.org (go to Work With Us, Job Opportunities, then search Summer Intern)

- Upload resume & essay as one file
